
AM YISRAEL CHAI (Hebrew for “The People of Israel Live”) was founded in 2008. The mission of this 501(c)(3) organization is to plant 1.5 million daffodils worldwide for the 1.5 million children who were murdered during the Holocaust and in support of children who continue to suffer in humanitarian crises in the world today.

THE DAFFODIL PROJECT

To date, over 200,000 bulbs have been planted. The yellow daffodil bloom is reminiscent of the yellow star that Jews throughout Europe were forced to wear during the Holocaust. It is also symbolic because it blooms each spring, reminding us that life is eternal. A total of 11 million people perished during the Holocaust.
